Online Conference Sponsorship for journals

nanoGe has been organizing worldwide events for over a decade. **nanoGe** offers your company business invaluable visibility among our users who are scientist from all over the world. Our commitment is to structure our project to the needs of our dear clients.

Four reasons to become a nanoGe sponsor

- Place your brand next to the **brightest ideas** and alongside the very best in the research industry.
- Get to the **scientific community**, from students to leading researchers, from all over the world: United States, Europe, Japan, India...
- Generate **content of interest** to the sector, achieving indirect way to promote your company to customers and potentials.
- Increase **awareness of your brand** among the scientific community and attract new readers and researchers

Exclusive benefits of online sponsorship

Pre-event:

- Brand placement on the website and internal communications to our user database.
- Branded promotional materials shared through social media channels (**Twitter, Facebook & Youtube**)

During event:

- Brand placement on screen during the **live broadcast**: background + transition screens.
- **Poster prizes** sponsored by your company.
- Promotional materials (catalogs, videos and links) visible in the **Exhibition Booth**.
- **Talk slots** available for sponsors.
- **Ads** played during breaks.

Post-event:

- **Sponsored ePoster prizes** promoted via social media channels/e-mail shots to our databases.
- **On-demand conference** for participants during 2 weeks.
