# Program

---

An updated PDF version of the program will be available at the conference website. A program hard copy will be handle at registration desk.

## *ORAL CONTRIBUTIONS*

Standard Audio Visual Package at the conference rooms: LCD projector, screen, laser pointer and wireless microphone.

### **Presentation Times:**

**Invited Speakers** are scheduled for 30 minutes (25 minutes talk + 5 minutes questions).

**Contributed presentations** are scheduled for 30 minutes (25 minutes talk+ 5 minutes, questions) and 15 minutes (12 minutes talk + 3 minutes, questions); check your slot at the symposium schedule for timing.

*The organization wants to encourage the symposia debates and questions; it is necessary to strictly respect the time for discussions.*

**Speaker preparation:** The speakers will be able to check the presentation onsite no later than the “break” immediately preceding the session. Break, in this sense, is the period of time before the first-morning talk and during the lunch or coffee breaks. Please come with sufficient time in advance. Authors must provide to the assistant a USB memory with the presentation or bring their own laptop.

**Audio Visual Assistance:** There will be assistant if any problem arises in each room.

*Advise:* Before you start designing your next presentation, make sure you know what size your slides should be for an optimal viewing experience. Check this information in page 7 of this document (Format 16:10, 16:9 or 4:3).

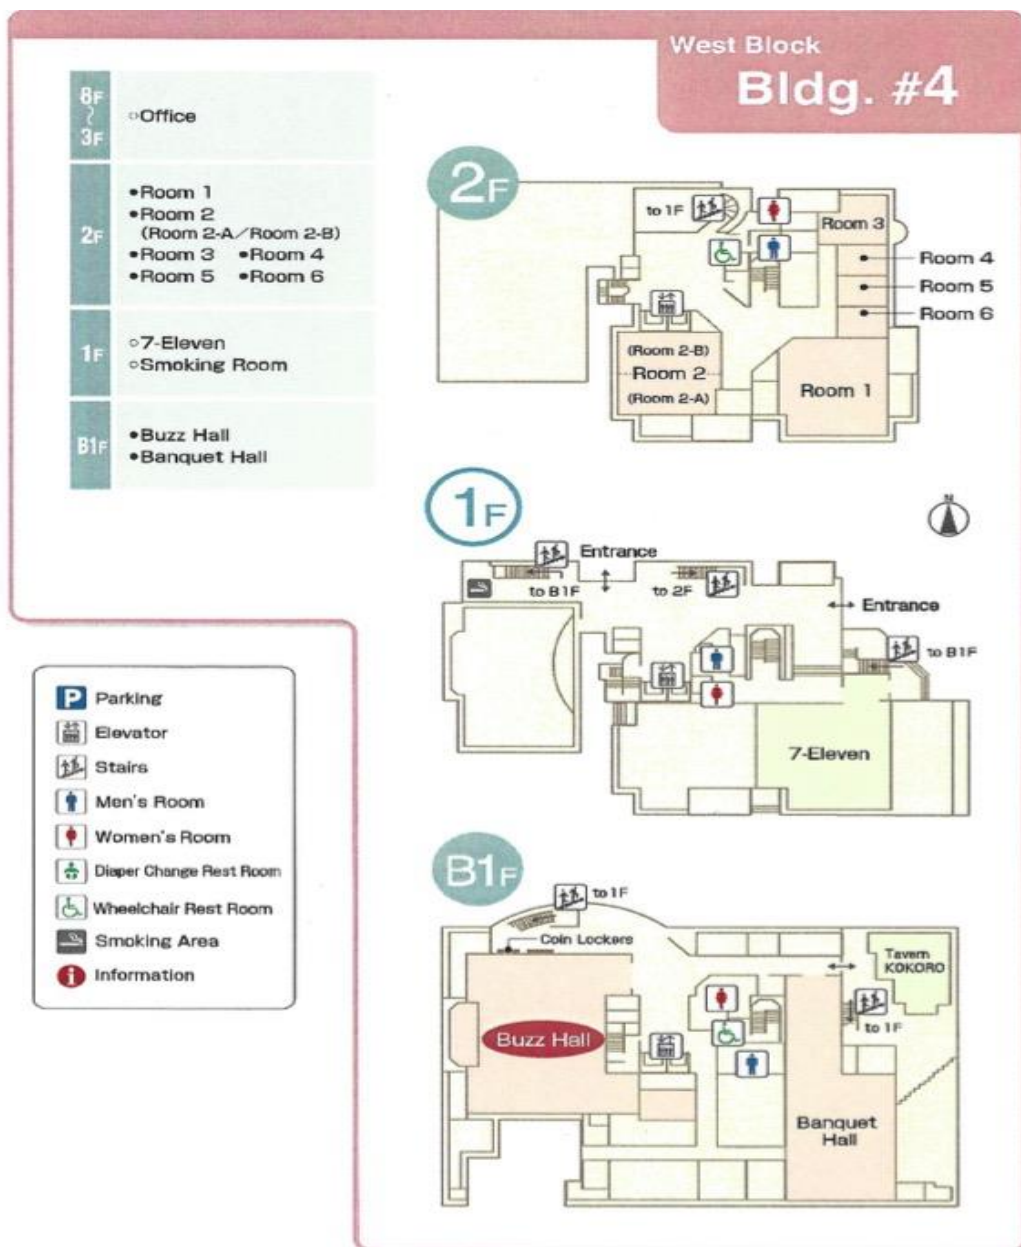

## CONFERENCE PROCEEDINGS

A new tool for far scientific communication and diffusion is available for any participant with an abstract contribution. nanoGe has prepared this tool as a service to the scientific community to ensure that conference communication obtains rapid impact and visibility.

Now you can find online and open access, the scientific contents of nanoGe conferences. All abstracts are published online as separate papers. Check it at <http://www.nanoge.org/nanoge-conference-proceedings>
